FIRST WEEK

Two children and a treasure

Peter is an orphan. He's a thin boy with nice fair hair. He works on a farm. Mr Ducker, the farmer, isn't a bad man but Peter must work hard.

Today he's helping Mr Ducker in the fields.

The weather is nice. The sky is blue and the sun is shining. The little boy can see sea-gulls flying around the rocks by the sea. Peter likes looking at them. They are free. Sometimes he imagines he can fly like the white sea-gulls. Peter doesn't like working in the fields : He wants to be sailor.
