What time do we have lunch ?

Dialogue 1 - 2

Adrian and Mike are visiting their dormitory. A boy is standing next to the window.

Adrian : Good morning ! Where do we put our suitcases ?

Steve : Empty them into your chest of drawers. And then, put the empty cases in this room.

My name is Steve.

Mike : Oh, my case is heavy. I can't carry it any more.

Steve : I'll carry it for you.

Mike : Thank you, Steve. What's St Luke's like ? Are the teachers nice ?

Steve : It's great. Mark Bull and James always organize a lot of things during the weekends. And the food's good, too.

Adrian : Oh, I'm hungry. What time do we have lunch ?

Steve : At half past twelve. Come on. The bell's ringing. We must go downstairs for the morning gathering. Mr Harsch always speaks to us before the lessons.

Adrian : Do we have a lot of work ?

Steve : Yes, we do. But it's very interesting... except maths. I hate maths !
